

CK Life Sciences Int'l. (Holdings) Inc.
Online User Guide for the Annual General Meeting
on 18th May, 2023

Apart from attending the Annual General Meeting (“AGM”) of CK Life Sciences Int'l., (Holdings) Inc. (“Company”) physically at 1st Floor, Harbour Grand Kowloon, 20 Tak Fung Street, Hung Hom, Kowloon, Hong Kong, shareholders of the Company (“Shareholders”) may attend, participate, raise questions and vote at the AGM through online access by visiting the website at <https://web.lumiagm.com> (“Online Platform”).

The Online Platform will be open for registered Shareholders and non-registered Shareholders to log in approximately 30 minutes prior to the commencement of the AGM (i.e. from 8:30 a.m. on 18th May, 2023) and can be accessed from any location with internet connection by a smart phone, tablet device or computer. Please refer to the Company’s notification letter to Shareholders dated 14th April, 2023 for login details and arrangements. If Shareholders have any questions regarding the login details and AGM arrangements in general, please contact the hotline of Computershare Hong Kong Investor Services Limited (“Computershare”), the Company’s Branch Share Registrar at (852) 2862 8558.

Below are some pointers in relation to the use of the Online Platform. If Shareholders experience any technical difficulties or require assistance while using the Online Platform, please call Computershare at (852) 2862 8558 from 9:00 a.m. to 5:00 p.m. (Hong Kong Time) on the day of the AGM. Kindly note that such hotline cannot record your vote(s) over the telephone.

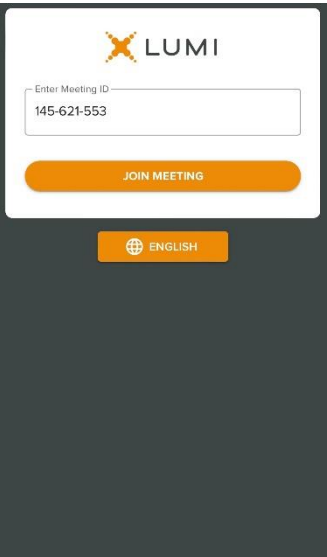

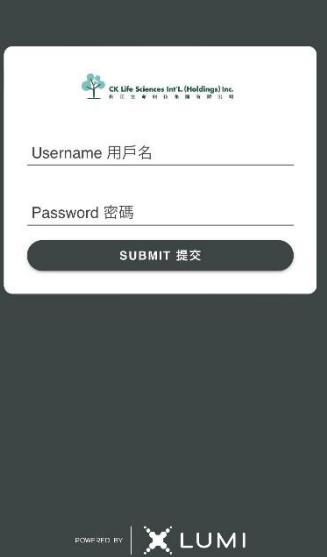

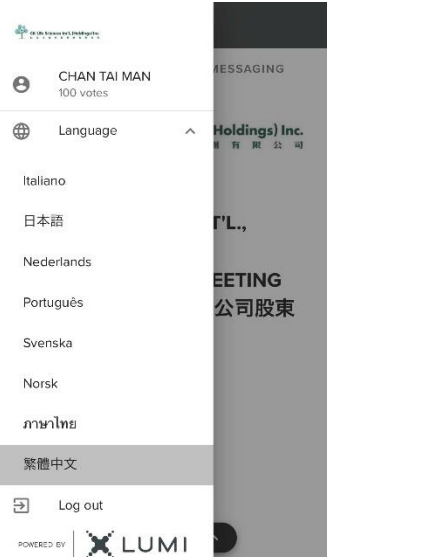

Some pointers:

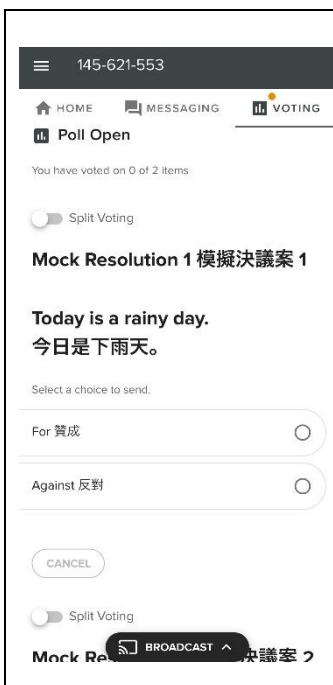

1. You will need a reliable internet connection fast and stable enough to support video streaming (for example, as if you are watching a YouTube video).
2. However, unlike YouTube, if your internet connection is not fast or stable enough to support video streaming or keep pace with the AGM proceedings, part or parts of the AGM online broadcast may be lost or skipped. You will not receive the broadcast on a delayed basis and may miss part or parts of the AGM proceedings (including voting).
3. If your internet connection is unstable, inadequate or interrupted, your attendance at the AGM may be interrupted and you may be unable to vote or ask questions. This will not affect the AGM itself which will continue and will remain valid and effective.
4. If your internet connection is restored, you might be able to rejoin the AGM online but you may have missed part or parts of the AGM proceedings (including voting) which will not be repeated.
5. Each set of shareholder login details can only be used on one device (for example, smart phone, tablet device or computer) at a time, and cannot be shared with others.

The online AGM is technology-dependent and the above are some of the possible risks with respect to an online meeting. To ensure your right to vote is exercised, you are encouraged to appoint the Chairman of the AGM as your proxy. Alternatively, you can choose to appoint another person as your proxy or attend the AGM physically.

The Company may be required to change the AGM arrangements at short notice. Shareholders should check the Company’s website at <https://www.ck-lifesciences.com> or the Company’s AGM website at <https://www.ck-lifesciences.com/eng/content.php?page=2023AGM> for future announcements and updates on the AGM arrangements, if applicable.
