CONTINUING CONNECTED TRANSACTIONS

The Group has continued to carry on the Existing Continuing Connected Transactions, as announced on 29 March 2005. At the annual general meeting of the Company held on 12 May 2005, the then independent Shareholders approved the Existing Continuing Connected Transactions and the annual caps for transactions under each of the Existing Supply Agreements for a period up to 31 December 2008, subject to certain conditions. Details of the Existing Continuing Connected Transactions were disclosed in the announcement and circular of the Company dated 29 March 2005 and 19 April 2005 respectively. The Existing Supply Agreements and the period covered by the approval in respect of them will expire on 31 December 2008.

It is expected that the Group, the CKH Group and the HIL Group will from time to time continue to enter into transactions of a nature similar to the Existing Continuing Connected Transactions after the expiry of the Existing Supply Agreements on 31 December 2008.

As at the date of this announcement, (i) CKH is interested in approximately 44.30% of the issued share capital of the Company and therefore is a substantial shareholder of the Company; and (ii) CKH is interested in approximately 49.97% of the issued share capital of HWL, and HIL, being a wholly-owned subsidiary of HWL, is thus an associate of CKH. Therefore, CKH and HIL are connected persons of the Company under the GEM Listing Rules. Since the New Continuing Connected Transactions will involve provision of goods and payments for services on a continuing or recurring basis and are expected to extend over a period of time, those transactions constitute continuing connected transactions of the Company under the GEM Listing Rules.

On 2 April 2008, the Company entered into the conditional New Supply Agreements for a term of three years commencing from 1 January 2009. As it is anticipated that the applicable percentage ratios (other than the profits ratio) calculated in accordance with Chapter 19 of the GEM Listing Rules in respect of the total amounts of the New CKH Continuing Connected Transactions and the New HIL Continuing Connected Transactions will, on an annual basis, not be less than 2.5% and the annual consideration is expected to be higher than HK\$10,000,000, the New CKH Continuing Connected Transactions and the New HIL Continuing Connected Transactions will constitute non-exempt continuing connected transactions of the Company under the GEM Listing Rules. The New Continuing Connected Transactions are subject to the reporting, announcement, annual review and Independent Shareholders' approval requirements under Rules 20.45 to 20.54 of the GEM Listing Rules.

In view of the above, the Company will seek the approval of the Independent Shareholders in relation to the New CKH Continuing Connected Transactions and the New HIL Continuing Connected Transactions respectively. It is proposed that ordinary resolutions will be proposed at the forthcoming AGM of the Company for the Independent Shareholders to approve by way of poll the New CKH Continuing Connected Transactions and the New HIL Continuing Connected Transactions respectively and the respective annual caps which these transactions shall not exceed. Shareholders who are not Independent Shareholders will be required to abstain from voting on the ordinary resolutions to approve the New CKH Continuing Connected Transactions and the New HIL Continuing Connected Transactions respectively.

A circular containing, among other things, (1) further information on the New Continuing Connected Transactions; (2) the recommendation of the Independent Board Committee to the Independent Shareholders; (3) the letter of advice from an independent financial adviser to the Independent Board Committee and the Independent Shareholders; and (4) the notice of the AGM including ordinary resolutions to be proposed to approve the New CKH Continuing Connected Transactions and the New HIL Continuing Connected Transactions respectively will be despatched to the Shareholders as soon as practicable.

3. THE NEW CONTINUING CONNECTED TRANSACTIONS

It is expected that the Group, the CKH Group and the HIL Group will from time to time continue to enter into transactions of a nature similar to the Existing Continuing Connected Transactions after the expiry of the Existing Supply Agreements on 31 December 2008. Details of the New Continuing Connected Transactions are as follows :

A. The New CKH Supply Agreement

- Date : 2 April 2008
- Parties : (i) The Company
(ii) CKH
- Condition precedent : conditional upon approval by Independent Shareholders
- Duration : a term of 3 years from 1 January 2009 to 31 December 2011
- Goods provided : the Products

Subject to the terms and conditions of the New CKH Supply Agreement, the Company agrees to continue to provide and/or procure members of the Group to provide the Products to the CKH Group and CKH agrees to continue to purchase and/or procure members of the CKH Group (in respect of associates of CKH which are not subsidiaries of CKH, to procure with reasonable endeavours only) to purchase the Products from the Group for use or consumption and/or for sale and distribution by the CKH Group both locally and overseas on a non-exclusive basis after the expiry of the Existing CKH Supply Agreement.

Similar to the Existing CKH Supply Agreement, the New CKH Supply Agreement is a master agreement which sets out the principles upon which detailed terms are to be determined between the relevant members of the Group and the CKH Group. Pursuant to the New CKH Supply Agreement, members of the Group and the CKH Group will enter into separate and definitive agreements from time to time to provide for the detailed terms of each single transaction in accordance with the principles in the New CKH Supply Agreement. Such detailed terms include (but without limitation) the basis on which the Products will be supplied, the price of the Products, payment and settlement terms, product warranties and other terms and conditions in relation to the provision of the Products by the Group to the CKH Group. The parties agree that such detailed terms shall be on normal commercial terms and on terms no less favourable to the Group than terms available to or from (as appropriate) independent third parties.

Proposed annual caps

The Directors project that under the New CKH Supply Agreement, the value of the Products to be provided or to be agreed to be provided by the Group to the CKH Group will not exceed the amounts set out below:-

- (i) For the year ending 31 December 2009 – HK\$1,000,000

- (iii) For the year ending 31 December 2011 – HK\$2,000,000.

Approval will be sought from the Independent Shareholders in respect of the New CKH Continuing Connected Transactions. It will be one of the conditions of the approval of the Independent Shareholders that the value of the New CKH Continuing Connected Transactions shall not exceed certain annual caps detailed below, which are set by reference to the above annual figures.

Basis of caps

The estimated annual figures proposed above are determined by reference to (i) the anticipated increase in the sale prices of the Products; (ii) the anticipated growth in the sales volume of the Products to or through the CKH Group; and (iii) the anticipated increase in the number and variety of new Products to be launched and made available to the CKH Group.

B. The New HIL Supply Agreement

- Date : 2 April 2008
- Parties : (i) The Company
(ii) HIL
- Condition precedent : conditional upon approval by Independent Shareholders
- Duration : a term of 3 years from 1 January 2009 to 31 December 2011
- Goods provided : the Products

Subject to the terms and conditions contained in the New HIL Supply Agreement, the Company agrees to continue to provide and/or procure the members of the Group to provide the Products to the HIL Group and HIL agrees to continue to purchase and/or procure members of the HIL Group (in respect of those members of the HIL Group in which HIL is directly or indirectly interested so as to exercise or control the exercise of 30% to 50% of the voting power at any general meeting of such companies, to procure with reasonable endeavours only) to purchase the Products from the Group, for sale and distribution by the HIL Group both locally and overseas on a non-exclusive basis after the expiry of the Existing HIL Supply Agreement. In connection with the supply of the Products, relevant members of the Group may make the Sales Related Payments to relevant members of the HIL Group, which are expected to include advertising and promotional fees and royalties, display rentals, upfront payments or premium and/or such other payments (including without limitation, payments for consultancy, management and/or merchandising services to be rendered by the HIL Group).

Similar to the Existing HIL Supply Agreement, the New HIL Supply Agreement is a master agreement which sets out the principles upon which detailed terms are to be determined between the relevant members of the Group and the HIL Group. Pursuant to the New HIL Supply Agreement, members of the Group and the HIL Group will enter into separate and definitive agreements from time to time to provide for the detailed terms of each single transaction in accordance with the principles in the New HIL Supply Agreement. Such detailed terms include (but without limitation) the basis on which the Products will be supplied, the price of the Products, payment and settlement terms, product warranties, the amounts of the Sales Related Payments payable by the Group to the HIL Group and other terms and conditions in relation to the provision of the Products by the Group to the HIL Group. The parties agree that such detailed terms shall be on normal commercial terms and on terms no less favourable to the Group than terms available to or from (as appropriate) independent third parties.

Proposed annual caps

The Directors project that under the New HIL Supply Agreement:-

- (a) the value of the Products to be provided or to be agreed to be provided by the Group to the HIL Group will not exceed the amounts set out below:-
 - (i) For the year ending 31 December 2009 – HK\$110,000,000
 - (ii) For the year ending 31 December 2010 – HK\$180,000,000
 - (iii) For the year ending 31 December 2011 – HK\$250,000,000; and
- (b) the value of the Sales Related Payments payable by the Group to the HIL Group will not exceed the amounts set out below:-
 - (i) For the year ending 31 December 2009 – HK\$17,000,000
 - (ii) For the year ending 31 December 2010 – HK\$27,000,000
 - (iii) For the year ending 31 December 2011 – HK\$38,000,000.

Approval will be sought from the Independent Shareholders in respect of the New HIL Continuing Connected Transactions. It will be one of the conditions of the approval of the Independent Shareholders that the value of the New HIL Continuing Connected Transactions shall not exceed certain annual caps detailed below, which are set by reference to the above annual figures.

Basis of caps

The estimated annual figures for the value of the Products to be provided as proposed in (a) above are determined by reference to (i) the sales volume for the year ended 31 December 2007 and the projected sales volume for the year ending 31 December 2008 of the Products to the HIL Group or through the distribution channels of the HIL Group; (ii) the estimated increase in the sales price of the Products; (iii) the anticipated increase in the number and variety of the Products to be launched and made available for sale by the HIL Group; (iv) the expected expansion of distribution channels for the Products through a wider scope of outlet coverage of the HIL Group; and (v) the expected increase in the number of markets in which the Products can be made available to the HIL Group.

For reference, the sales of the Products to the HIL Group or through the distribution channels of the HIL Group in Hong Kong was about HK\$23 million in the year ended 31 December 2007, which was doubled compared to the previous year. It is expected there will be another 100% growth in the sales of the Products to the HIL Group or through the distribution channels of the HIL Group in Hong Kong for the year ending 31 December 2008 compared to the year ended 31 December 2007.

Following this trend, the annual cap for the year ending 31 December 2009 is estimated at HK\$110 million. The annual caps for the three years ending 31 December 2009, 2010 and 2011 have taken into account potential developments in the sales of Products to the HIL Group in various overseas markets. There are plans to make additional use of the distribution channels of the HIL Group in other parts of the world. The primary focuses will include existing and new markets such as the Netherlands, Taiwan, Singapore, China and the United Kingdom.

The estimated annual figures of the Sales Related Payments proposed in (b) above are determined based on the projected sales value set out in (a) above and on the assumption that the Sales Related Payments will amount to approximately 15% of such sales with reference to the current practice of the distributors and the retailers and particularly the value of the Products to be sold in the outlets of the HIL Group outside Hong Kong.

The Directors confirm that the New Continuing Connected Transactions will be conducted in the ordinary and usual course of business of the Group, on normal commercial terms and negotiated on an arm's length basis between the relevant members of the Group and the CKH Group or the HIL Group (as the case may be). In particular, the terms and conditions (including the price chargeable by the Group) for the provision of the Products by the Group to the relevant members of the CKH Group or the HIL Group (as the case may be) will be on terms no less favourable to the Group than terms available to or from (as appropriate) independent third parties.

4. REASONS FOR ENTERING INTO THE NEW CONTINUING CONNECTED TRANSACTIONS

The supply of the Products pursuant to the Existing Supply Agreements and the related transactions has formed part of the normal commercial activities of the Group. The transactions are also normal business activities of the relevant members of the CKH Group and the HIL Group. In the case of the New HIL Supply Agreement, the transactions would also enable the Group to take advantage of the wide distribution channels and extensive retail outlets of the HIL Group.

The Directors (excluding the independent non-executive Directors whose view is subject to the advice from the independent financial adviser) are of the view that the terms of the New Continuing Connected Transactions and the proposed annual caps for the New CKH Continuing Connected Transactions and the New HIL Continuing Connected Transactions are fair and reasonable and are in the interests of the Company and the Shareholders as a whole.

5. NEW CONTINUING CONNECTED TRANSACTIONS AND REQUIREMENTS UNDER THE GEM LISTING RULES

Relationship with CKH and HIL

As at the date of this announcement, (i) CKH is interested in approximately 44.30% of the issued share capital of the Company and therefore is a substantial shareholder of the Company; and (ii) CKH is interested in approximately 49.97% of the issued share capital of HWL, and HIL, being a wholly-owned subsidiary of HWL, is thus an associate of CKH. Therefore, the CKH Group and the HIL Group are connected persons of the Company under the GEM Listing Rules, and transactions under each of the Existing Supply Agreements constitute continuing connected transactions of the Company under the GEM Listing Rules.

New Continuing Connected Transactions

As the New Continuing Connected Transactions involve provision of goods and payments for services on a continuing or recurring basis and are expected to extend over a period of time, those transactions will also constitute continuing connected transactions of the Company under the GEM Listing Rules.

As it is anticipated that the applicable percentage ratios (other than the profits ratio) calculated in accordance with Chapter 19 of the GEM Listing Rules in respect of the total amounts of the New CKH Continuing Connected Transactions and the New HIL Continuing Connected Transactions will, on an annual basis, not be less than 2.5% and the annual consideration is expected to be higher than HK\$10,000,000, the New CKH Continuing Connected Transactions and the New HIL Continuing Connected Transactions will constitute non-exempt continuing connected transactions of the Company under the GEM Listing Rules. The New Continuing Connected Transactions are subject to the reporting, announcement, annual review and Independent Shareholders' approval requirements under Rules 20.45 to 20.54 of the GEM Listing Rules. Accordingly, the Company will seek the approval of the Independent Shareholders by way of poll for the Group to conduct the New CKH Continuing Connected Transactions and the New HIL Continuing Connected Transactions respectively for the period from 1 January 2009 up to 31 December 2011 on the condition that the transactions shall not exceed the relevant annual caps set out below:

	Category of New Continuing Connected Transactions	Proposed Caps (in HK\$)		
		For the year ending 31/12/2009	For the year ending 31/12/2010	For the year ending 31/12/2011
1.	The value of the Products to be provided under the New CKH Continuing Connected Transactions	1,000,000	1,500,000	2,000,000
2.	The New HIL Continuing Connected Transactions :-			
	(a) the value of the Products to be provided to the HIL Group;	110,000,000	180,000,000	250,000,000
	(b) the value of the Sales Related Payments payable by the Group	17,000,000	27,000,000	38,000,000

If there are material changes to the terms of any of the New Supply Agreements mentioned above or the relevant caps stated above are exceeded or that the Company and any connected persons (as defined under the GEM Listing Rules) reach any new arrangements, the Company will have to comply with the relevant provisions of Chapter 20 of the GEM Listing Rules.

Apart from the transactions under the Existing Supply Agreements, the Group has not entered into any other transactions with each of CKH and HIL or their respective associates in the previous 12 months which are related to the New Continuing Connected Transactions. There are thus no prior transactions between the Group and each of CKH and HIL and its associates which require aggregation under Rule 20.25 of the GEM Listing Rules.

6. INDEPENDENT SHAREHOLDERS' APPROVAL IN RESPECT OF THE NEW CONTINUING CONNECTED TRANSACTIONS

It is proposed that ordinary resolutions will be proposed at the forthcoming AGM of the Company for the Independent Shareholders to approve by way of poll the New CKH Continuing Connected Transactions and the New HIL Continuing Connected Transactions respectively and the respective proposed annual caps mentioned above. Shareholders who are not Independent Shareholders will be required to abstain from voting on such ordinary resolutions.

The Independent Board Committee will be appointed to advise the Independent Shareholders on whether or not the terms of the New CKH Continuing Connected Transactions and the New HIL Continuing Connected Transactions respectively are fair and reasonable and in the interests of the Company and the Shareholders as a whole. An independent financial adviser will be appointed to advise the Independent Board Committee and the Independent Shareholders in respect of the terms of the New CKH Continuing Connected Transactions and the New HIL Continuing Connected Transactions respectively.

A circular containing, among other things, (1) further information on the New Continuing Connected Transactions; (2) the recommendation of the Independent Board Committee to the Independent Shareholders; (3) the letter of advice from the independent financial adviser to the Independent Board Committee and the Independent Shareholders; and (4) the notice of the AGM including ordinary resolutions to be proposed to approve the New CKH Continuing Connected Transactions and the New HIL Continuing Connected Transactions respectively will be despatched to the Shareholders as soon as practicable.
