CONTINUING CONNECTED TRANSACTIONS

Reference is made to the 2014 Announcement relating to, inter alia, the Existing Continuing Connected Transactions. The Existing Supply Agreement will expire on 31 December 2017.

Following the completion of a reorganisation exercise in 2015, members of the HIL Group have become subsidiaries and part of the CKHH Group.

It is expected that the Group will from time to time continue to enter into with the CKHH Group transactions of a nature similar to the Existing Continuing Connected Transactions after the expiry of the Existing Supply Agreement. On 15 December 2017, the Company entered into the New CKHH Supply Agreement with CKHH for a term of three years commencing from 1 January 2018 in relation to the Supply of Products and the Sales Related Payments.

As at the date of this announcement, CKHH is interested in approximately 45.31% of the issued share capital of the Company and therefore is a substantial shareholder of the Company, and thus CKHH is a connected person of the Company under the Listing Rules. Since the New CKHH Continuing Connected Transactions will involve the Supply of Products and the Sales Related Payments on a continuing or recurring basis and are expected to extend over a period of time, those transactions constitute continuing connected transactions of the Company under the Listing Rules.

As one or more of the applicable percentage ratios in respect of the Annual Cap Amounts for each of (i) the Supply of Products; and (ii) the Sales Related Payments contemplated under the New CKHH Supply Agreement exceed 0.1% but all of the applicable percentage ratios are less than 5%, the continuing connected transactions under the New CKHH Supply Agreement are subject to the reporting, announcement and annual review requirements but are exempt from the independent shareholders' approval requirement under Chapter 14A of the Listing Rules.

1. BACKGROUND

Reference is made to the 2014 Announcement relating to, inter alia, the Existing Continuing Connected Transactions. The Existing Supply Agreement will expire on 31 December 2017.

2. THE EXISTING CONTINUING CONNECTED TRANSACTIONS

Under the Existing Supply Agreement, HIL engages the Company and the Company agrees to provide and/or procure to be provided the Products to the HIL Group for sale and distribution on a non-exclusive basis for a term from 1 January 2015 to 31 December 2017. In that connection, relevant members of the Group may make the Sales Related Payments to the relevant members of the HIL Group.

The annual caps and the actual aggregate transaction amounts of the Existing Continuing Connected Transactions for each of the two financial years ended 31 December 2015 and 31 December 2016 and the annual caps of the Existing Continuing Connected Transactions for the financial year ending 31 December 2017 are set out below:

Existing Continuing Connected Transactions	For the year ended 31/12/2015	For the year ended 31/12/2016	For the year ending 31/12/2017
Existing Supply Agreement :-			
(a) the value of the Products provided to the HIL Group;	HK\$110,000,000 (annual cap)	HK\$115,500,000 (annual cap)	HK\$121,275,000 (annual cap)
	HK\$26,595,521 (actual aggregate amount)	HK\$28,311,684 (actual aggregate amount)	
(b) the value of the Sales Related Payments paid by the Group to the HIL Group	HK\$17,000,000 (annual cap)	HK\$17,850,000 (annual cap)	HK\$18,742,500 (annual cap)
	HK\$2,695,752 (actual aggregate amount)	HK\$3,053,401 (actual aggregate amount)	

For each of the two financial years ended 31 December 2015 and 31 December 2016, none of the actual aggregate transaction amounts of the Existing Continuing Connected Transactions exceeded their respective annual cap amount as disclosed in the 2014 Announcement. Based on the actual aggregate transaction amounts of the Existing Continuing Connected Transactions as of the date of this announcement, the Directors expect that the annual caps for the financial year ending 31 December 2017 as set out above would also not be exceeded.

3. THE NEW CKHH CONTINUING CONNECTED TRANSACTIONS

The New CKHH Supply Agreement

Following the completion of a reorganisation exercise in 2015, members of the HIL Group have become subsidiaries and part of the CKHH Group.

It is expected that the Group will from time to time continue to enter into with the CKHH Group transactions of a nature similar to the Existing Continuing Connected Transactions after the expiry of the Existing Supply Agreement on 31 December 2017. Details of the New CKHH Supply Agreement are as follows:

Date	: 15 December 2017
Parties	: The Company CKHH
Duration	: a term of 3 years from 1 January 2018 to 31 December 2020
Goods provided	: the Products

Subject to the terms and conditions contained in the New CKHH Supply Agreement, the Company agrees to continue to provide and/or procure the members of the Group to provide the Products to the CKHH Group and CKHH agrees to continue to purchase and/or procure members of the CKHH Group (in respect of those members of the CKHH Group in which CKHH is directly or indirectly interested so as to exercise or control the exercise of 30% to 50% of the voting power at any general meeting of such companies, to procure with reasonable endeavours only) to purchase the Products from the Group, for sale and distribution by the CKHH Group both locally and overseas on a non-exclusive basis after the expiry of the Existing Supply Agreement. In connection with the supply of the Products, relevant members of the Group may make the Sales Related Payments to relevant members of the CKHH Group, which are expected to include advertising and promotional fees and royalties, display rentals, upfront payments or premium and/or such other payments (including without limitation, payments for consultancy, management and/or merchandising services to be rendered by the CKHH Group).

Similar to the Existing Supply Agreement, the New CKHH Supply Agreement is a master agreement which sets out the principles upon which detailed terms are to be determined between the relevant members of the Group and the CKHH Group. Pursuant to the New CKHH Supply Agreement, members of the Group and the CKHH Group will enter into separate and definitive agreements from time to time to provide for the detailed terms of each single transaction in accordance with the principles in the New CKHH Supply Agreement. Such detailed terms include (but without limitation) the basis on which the Products will be supplied, the price of the Products, payment and settlement terms, product warranties, the amounts of the Sales Related Payments payable by the Group to the CKHH Group and other terms and conditions in relation to the provision of the Products by the Group to the CKHH Group. The parties agree that such detailed terms shall be on normal commercial terms and on terms no less favourable to either the Group or the CKHH Group than terms available to or from (as appropriate) independent third parties.

Annual Cap Amounts

The Directors project that under the New CKHH Supply Agreement:

- (a) the amount receivable by the Group for the Products to be provided or to be agreed to be provided by the Group to the CKHH Group will not exceed the amounts set out below:-
 - (i) For the year ending 31 December 2018 – HK\$127,338,000
 - (ii) For the year ending 31 December 2019 – HK\$133,705,000
 - (iii) For the year ending 31 December 2020 – HK\$140,390,000; and
- (b) the amount of the Sales Related Payments payable by the Group to the CKHH Group will not exceed the amounts set out below:-
 - (i) For the year ending 31 December 2018 – HK\$19,680,000
 - (ii) For the year ending 31 December 2019 – HK\$20,664,000
 - (iii) For the year ending 31 December 2020 – HK\$21,697,000.

Basis of Annual Cap Amounts

The estimated annual figures for the aggregate amount receivable by the Group for the Products to be provided as set out in (a) above are calculated in accordance with the following pricing policy:

- (i) recommended retail price of each Product determined by the Group with reference to product benefits, consumer behaviour and pricing of competitive products;
- (ii) customary retail margin in line with market practice agreed with the CKHH Group;
- (iii) target profit margin for the Group for each Product with reference to cost of goods including production, transport and logistics and handling;
- (iv) estimated increase in the recommended retail price of the Products with reference to inflation rates published by the Hong Kong Government from time to time and changes in pricing of competitive products and market conditions;
- (v) the estimated sales volume of the Products to CKHH Group or through the distribution channels of the CKHH Group for the year ending 31 December 2017;
- (vi) the anticipated increase in the number and variety of the Products to be launched and made available for sale by the CKHH Group;
- (vii) the expected expansion of distribution channels for the Products through a wider scope of outlet coverage of the CKHH Group; and
- (viii) the expected increase in the number of markets in which the Products can be made available to the CKHH Group.

For reference, the sales of the Products to the CKHH Group or through the distribution channels of the CKHH Group in Hong Kong was approximately HK\$28 million in the year ended 31 December 2016, which increased by about 6.45% as compared to the previous year. The sales of the Products to the CKHH Group or through the distribution channels of the CKHH Group in Hong Kong for the year ending 31 December 2017 are expected to be in line with that of the year ended 31 December 2016.

The Annual Cap Amounts for the three years ending 31 December 2018, 2019 and 2020 have taken into account potential developments in the sales of Products to the CKHH Group in various overseas markets. There are plans to make additional use of the distribution channels of the CKHH Group in other parts of the world.

The estimated annual figures of the Sales Related Payments set out in (b) above are determined based on the projected sales value set out in (a) above and on the assumption that the Sales Related Payments will amount to approximately 15% of such sales with reference to pricing policy including (i) the scope, complexity, service level and overall volume of the services to be rendered by the CKHH Group to the Group, (ii) the operation feasibility and availability of the relevant member of the CKHH Group, (iii) the current practice of the distributors and the retailers in the market, (iv) the prevailing market price of similar services and (v) the value of the Products to be sold in the outlets of the CKHH Group.

The Directors (including the independent non-executive Directors) confirm that the New CKHH Continuing Connected Transactions will be conducted in the ordinary and usual course of business of the Group, on normal commercial terms and negotiated on an arm's length basis between the relevant members of the Group and the CKHH Group. In particular, the terms and conditions (including the price chargeable by the Group) for the provision of the Products by the Group to the relevant members of the CKHH Group will be on terms no less favourable to the Group than terms available to or from (as appropriate) independent third parties.

4. REASONS FOR ENTERING INTO THE NEW CKHH CONTINUING CONNECTED TRANSACTIONS

The supply of the Products pursuant to the Existing Supply Agreement and the related transactions have formed part of the normal commercial activities of the Group. The transactions are also normal business activities between the relevant members of the Group and the CKHH Group and would also enable the Group to take advantage of the wide distribution channels and extensive retail outlets of the CKHH Group.

The Directors (including the independent non-executive Directors) are of the view that the terms of the New CKHH Continuing Connected Transactions and the Annual Cap Amounts are fair and reasonable and are in the interests of the Company and the Shareholders as a whole. None of the Directors has a material interest in the New CKHH Continuing Connected Transactions and thus no Director was required to abstain from voting on the board resolutions passed to approve the New CKHH Continuing Connected Transactions. However, Mr. Li Tzar Kuoi, Victor, being an executive Director, voluntarily abstained from voting on the resolutions of the Board approving the New CKHH Supply Agreement and the New CKHH Continuing Connected Transactions.

5. NEW CKHH CONTINUING CONNECTED TRANSACTIONS AND REQUIREMENTS UNDER THE LISTING RULES

Relationship with CKHH

As at the date of this announcement, CKHH is interested in approximately 45.31% of the issued share capital of the Company and therefore is a substantial shareholder of the Company, and thus CKHH is a connected person of the Company under the Listing Rules.

New CKHH Continuing Connected Transactions

The New CKHH Continuing Connected Transactions involve the Supply of Products and the Sales Related Payments on a continuing or recurring basis and are expected to extend over a period of time, those transactions will thus constitute continuing connected transactions of the Company under the Listing Rules.

As one or more of the applicable percentage ratios in respect of the Annual Cap Amounts for each of (i) the Supply of Products; and (ii) the Sales Related Payments contemplated under the New CKHH Supply Agreement exceed 0.1% but all of the applicable percentage ratios are less than 5%, the continuing connected transactions under the New CKHH Supply Agreement are subject to the reporting, announcement and annual review requirements but are exempt from the independent shareholders' approval requirements under Chapter 14A of the Listing Rules.

6. GENERAL

The principal activities of the Company are investment holding and the activities of its subsidiaries are research and development, manufacturing, commercialisation, marketing, sale of, and investment in, nutraceuticals, pharmaceuticals and agriculture-related products and assets as well as investment in various financial and investment products.

The CKHH Group is principally engaged in five core businesses: ports and related services, retail, infrastructure, energy, and telecommunications.
